About the Reports Page

Link: https://help.gpsinsight.com/docs/about-the-reports-page/ Last Updated: March 22nd, 2021

You can create, schedule, and manage reports from the reports page. You can also view report details on the My Scheduled Reports page to see what reports were run, their last and next run date, and if they are currently active.

Report Types

There are 40+ available reports that are separated by category and type. Please view the following list of report types and corresponding descriptions in the table below.

Note. Reports applicable only to Enterprise customers have been indicated below accordingly.

Activity Reports

Report Type	Description
Activity Detail	Shows all reported vehicle locations.
Begin/End of Day	View first start and last stop for any or all vehicles.
Drive Time Summary	View your entire fleet's driving statistics.
