

You can create, schedule, and manage reports from the reports page. You can also view report details on the My Scheduled Reports page to see what reports were run, their last and next run date, and if they are currently active.

The screenshot shows the 'My Scheduled Reports' page. At the top, there are two tabs: 'Create Report' and 'My Scheduled Reports'. Below the tabs is a search bar labeled 'Search All Reports'. A horizontal menu contains several report categories: 'All', 'Activity', 'Diagnostic', 'Driver', 'Landmark', 'Speeding', 'Stop Detail', and 'Custom'. The 'Activity' category is selected. Underneath, the 'Activity' section is displayed, featuring a grid of report cards. Each card has a title and a brief description:

- Activity Detail**: Shows all reported vehicle locations.
- Begin/End of Day**: View first start and last stop for any or all vehicles in your fleet.
- First Movement Detail**: Violations of First Movement.
- First Movement Summary**: Violations of First Movement.
- Fleet Utilization**: Report with fleet utilization details.
- Idle Time Detail**: Report on individual idle stops.
- Idle Time Summary**: View idle information for multiple vehicles in your fleet.
- Odd Hours**: View driving-time violations.

Report Types

There are 40+ available reports that are separated by category and type. Please view the following list of report types and corresponding descriptions in the table below.

Activity Reports

Report Type	Description
Activity Detail	Shows all reported vehicle locations.
Begin/End of Day	View first start and last stop for any or all vehicles.
Fleet Utilization	Report with fleet utilization details.
