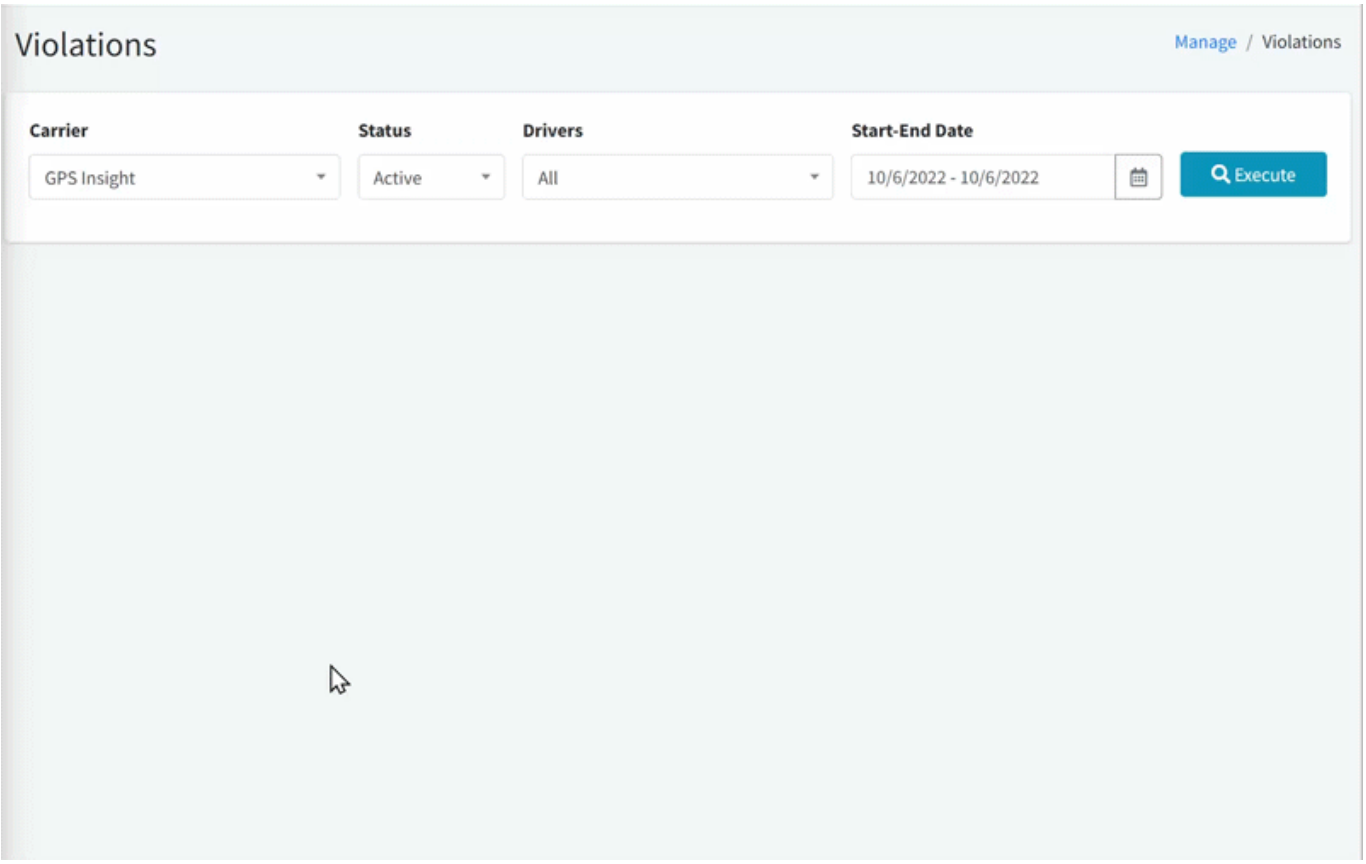
The Violations tab provides a list of violations your drivers have received through ELD Complete.



To view driver violations:

1. In eDash, click the Violations tab.
2. Select your company from the Carrier dropdown list.
3. Select the status (Active, Inactive or All) from the Status dropdown list.
4. Select the appropriate drivers from the Drivers dropdown list.
5. Select the date you would like to view from the calendar.
6. Once complete, click **Execute**.
7. The HOS Violation Report will appear showing violations from all selected drivers.
    - Each violation includes the driver's name, user name, date of violation, and the violation type.
    - This report can be exported via Excel, PDF, or Word. Simply click the save button at the top of the report and choose your export option.
