

From the Explore page of the Fleet Tracking Portal, you can schedule an installation using our partner, Techsbook.

**Note.** This feature is only available to US-based customers.

## To Schedule an Installation:

1. From the Explore page, click **Schedule an Install** under the Administration section.

A Customer Acknowledgement pop-up appears.

2. Please read the acknowledgment, then click **Proceed** to agree to the acknowledgment.

### Customer Acknowledgment

By Selecting "Proceed" below, I acknowledge I am leaving the GPS Insight customer portal to navigate to a 3rd party resource, Techsbook, to schedule my installation(s).

GPS Insight is not responsible for any of the agreed upon installation terms and conditions between Techsbook and myself (their customer)

Cancel

Proceed

You are navigated to Techsbook's website.

3. If you are a first-time user, you will be prompted to set up an account by clicking **Get started**. For returning customers, click **Schedule tech** to begin the scheduling process.
