

ELD Updates

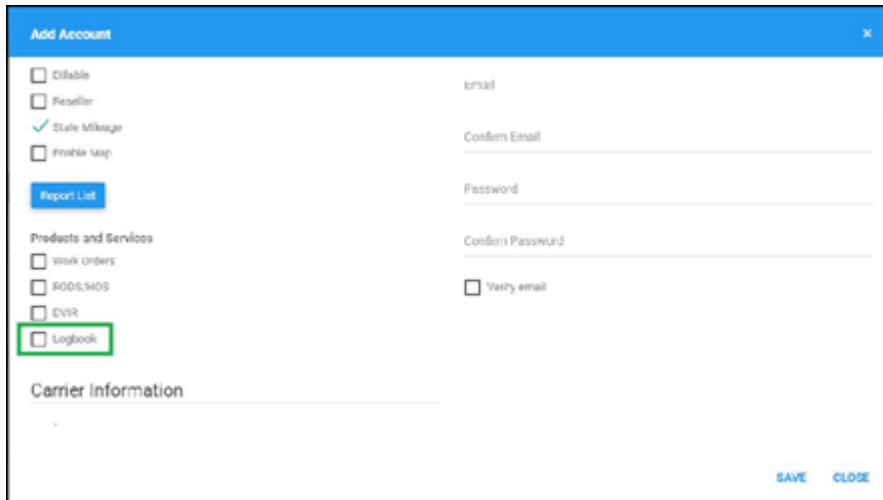

Link: <https://help.gpsinsight.com/eld-flex-portal-release-june2020/> Last Updated: June 8th, 2020

This Release Notes announcement is for ELD Flex users.

What's New

Account Management

A new checkbox option for "Logbook" has been added to the Products and Services section of the **Account Management > Add Account** page within the portal.

The screenshot shows the 'Add Account' form with the following sections:

- Account Settings:** Ditable, Reseller, State Mileage, Printable Map,
- Products and Services:** Work Orders, RODS/HOS, DVIR, Logbook
- Carrier Information:** [Empty text field]
- Registration Fields:** Email, Confirm Email, Password, Confirm Password, Verify email
- Buttons:** SAVE, CLOSE

Exceptions

Canadian Ferry has been added as an exception option within the portal.

The screenshot shows the 'Exceptions' section with the following options:

- CanFerry
- Ferry Crossing More than 5 hours - Section 17
- CANADA

FMCSA Data Transfer > CSV Output File

The following remarks are now hidden when the 'Show All' checkbox is unchecked:

- Cleared Diagnostic/Malfunction
- Authenticate/Unauthenticate
- DVIR Not Performed/ DVIR Completed
- Certified Log
- VBUS Connect/Disconnect
- Start of Day Odometer
- Start/End Toll Road
- Off Road/On Road

Bug Fixes

ELD Flex Update - June 2020

ELD Updates

Link: <https://help.gpsinsight.com/eld-flex-portal-release-june2020/> Last Updated: June 8th, 2020

- Fixed an issue where the exported PDF of list of Accounts was incomplete.
- Fixed an issue where the sync was failing upon logging into the app once the deleted visibility set was associated with the soft-deleted equipment.
