The screenshot shows the 'Reports' section of the GPS Insight interface. The 'Fleet Hierarchy Rollup' report is selected in the left-hand menu. The main content area displays the configuration for this report:

- Group:** A dropdown menu set to 'Company Vehicles'.
- Calendar:** A calendar view for November and December 2017. The date 22nd of November is highlighted in red.
- Time Range:** A row of buttons for time intervals: T, Y, >W, 7d, >M, 30.
- Options:** A checkbox labeled 'Show unutilized vehicles' is highlighted with a yellow box.
- Report Columns:** A list of metrics with dropdown menus for aggregation:
  - Distance: Sum
  - Engine Hours: Sum
  - Idle Time: Sum
  - Days Utilized: Sum
  - Trips: Sum
- Buttons:** A 'Run Report' button is located at the bottom right.

The thumbnail shows a data table with columns for various metrics such as Distance, Engine Hours, Idle Time, Days Utilized, and Trips, organized by vehicle group and date.
