This Product Features and Updates announcement for GPS Insight **Pro/Enterprise** includes updates for Dashboards/Maps.

Dashboards/Maps

Map Dashboard - Input Sensor Status

The **Map Dashboard** now displays “On” status for input sensor(s), indicated with star icons on the History-Activity Trail, for vehicles with inputs.

Note. If the vehicle has more than one input sensor enabled, the star icon will not indicate which input sensor is on.

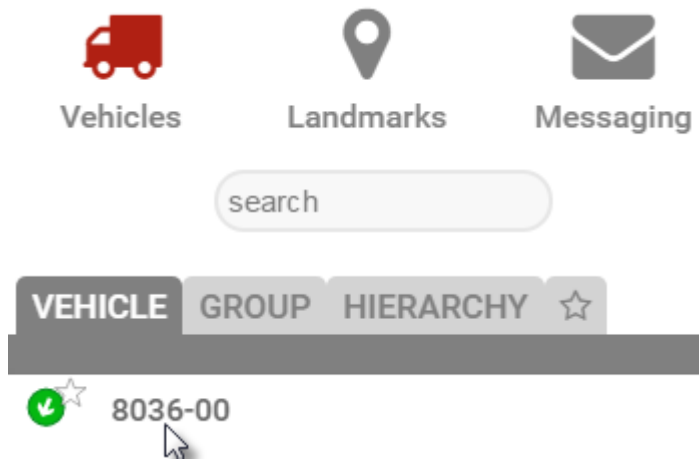

► To view the input sensor status:

1. Click on the vehicle with input sensor(s) in the vehicle list.
