This Product Features and Updates announcement for GPS Insight **Standard, Pro, and Enterprise** includes updates for Mobile Features.

Mobile Updates

GPS Insight Manager App Links (iOS and Android)

You can download the GPS Insight Manager App (iOS and Android) using the links provided in the Portal under the **More** drop-down menu and the **Need Help** menu:

GPS Insight Manager v1.1.7 Android App - Now Available

The **GPS Insight Manager App (Android)** is now available for download in the **Google Play Store**.

GPS Insight Manager App (iOS) - Version 1.35

This update is available from the **iTunes App Store** (starting March 29, 2017) and includes the following:

- Bug fixes and performance improvements
- The last 24 hours of vehicle activity is shown when the **Trail** button is tapped from the **Vehicle Card**. The activity is represented by a light green trail.
