This Product Release Notes announcement for GPS Insight **Pro and Enterprise** customers includes updates for Map and Bug Fixes.

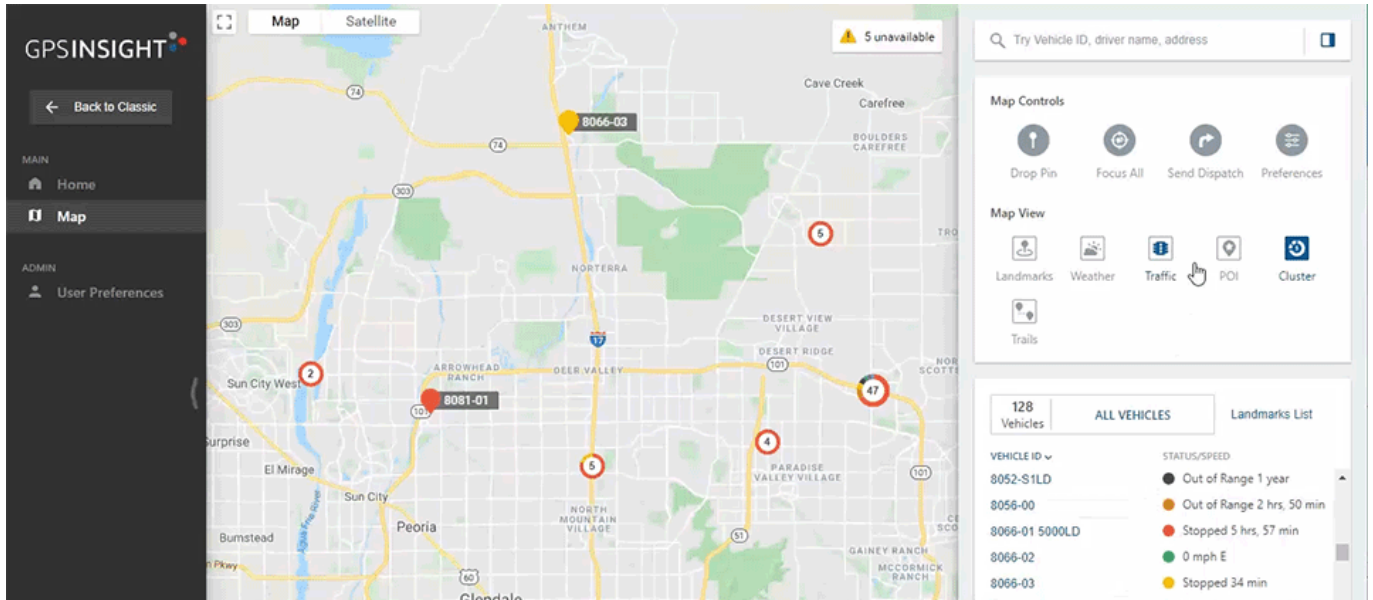

Map

Map - Send Dispatch

You can now send a destination (dispatch) to a driver through the Map!

► Sending dispatch:

1. Click on the Send Dispatch button on the right side menu.
The dispatch form will open.
2. Enter the driver's information in the Recipient(s) field.
3. Enter the address of the destination.
4. Click Send. The driver will receive a text and/or email notification with the dispatch location.

For more information on the Map, see [About the Map](#).

Map - Landmark Names

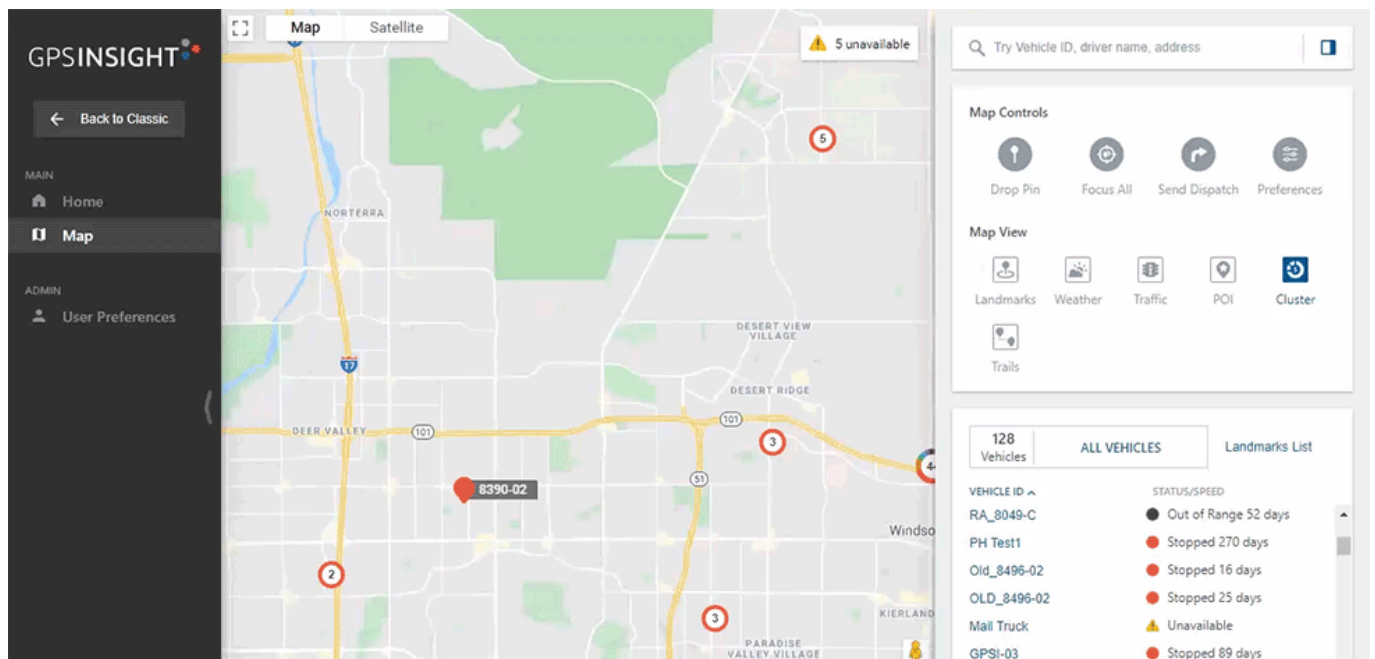

You can now view the names of Landmarks on the Map.

► Viewing Landmark Names:

1. Click on the Landmarks button on the right side menu to activate the landmarks.
2. Hover over the landmark to view their assigned names.
