This Product Release Notes announcement for GPS Insight **Pro** and **Enterprise** customers includes updates for Map and Bug Fixes.

Map

Map - Single Trip History

You can now view a vehicle's history on the map in Trip History Mode.

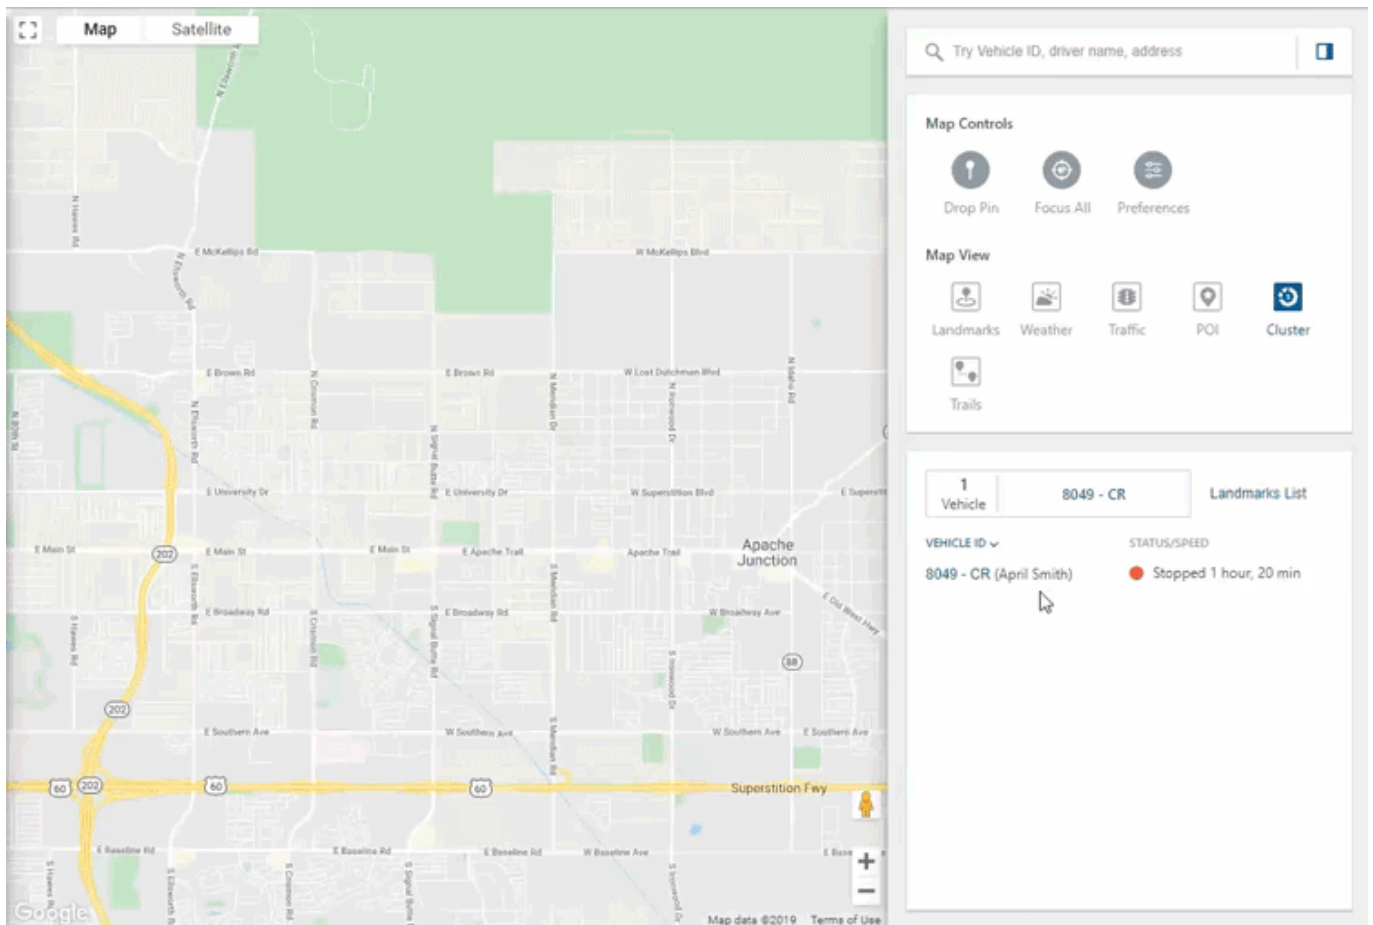

▶ Viewing Trip History:

1. Simply select a vehicle from the vehicle list, then click on the View Trip History button.
2. Once the trip history feature is activated, you can pick a date from the Calendar Picker.
3. Once selected, you'll click the play button to playback the driver's trip!
