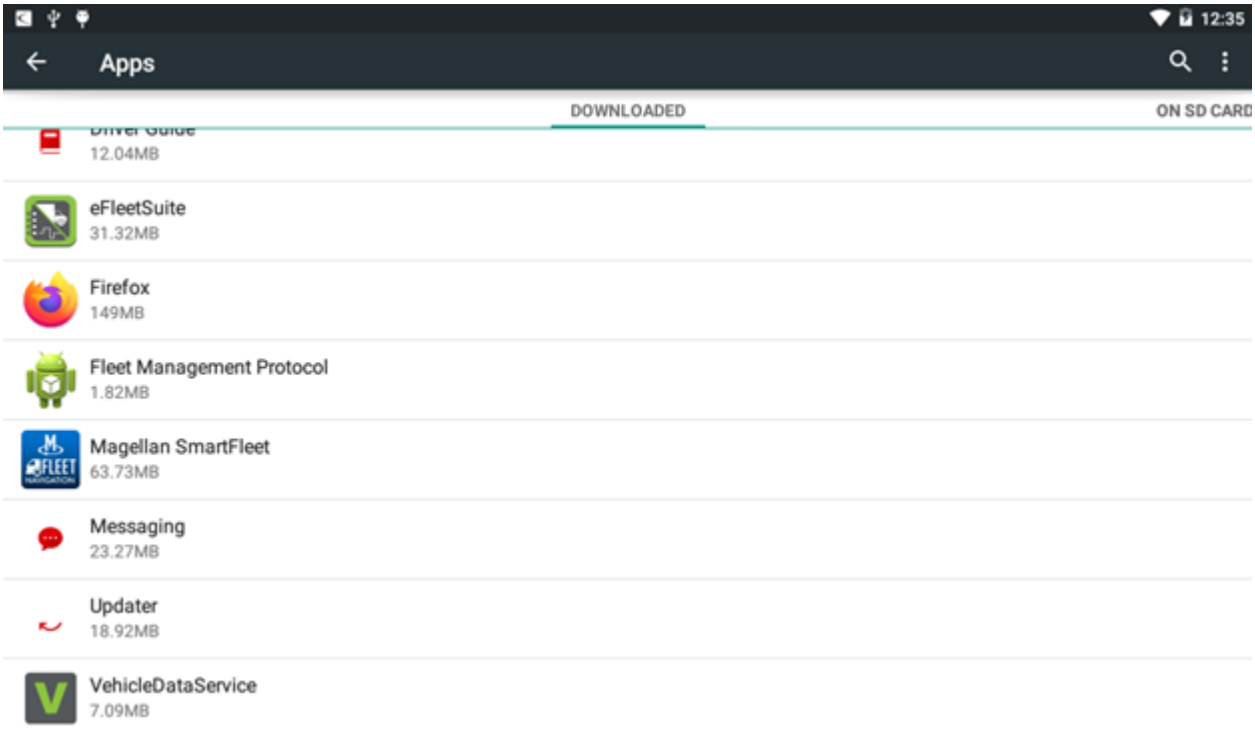
Removing the Messaging Application

Link: https://help.gpsinsight.com/troubleshooting/removing-the-messaging-application/ Last Updated: September 24th, 2020

Use the instructions below to uninstall the Messaging App from the Android MDT.

1. On the tablet, tap the **Home** button on the right side of the screen.
2. Locate the Settings application and select it.
3. Enter the Settings password (gpsield) then tap **Apps**.



4. Locate and select Messaging, then tap the **Uninstall** button.
